Dear Beloved Friends,

We thank our Lord for His perfect love, and for holding us in His arms. I know that you all have heard about the current situation in our country regarding the tribal unrest and violence despite the positive new leadership. Because of this, the work here has not been able to continue as well as usual.

Despite all of this, more than 1400 students have enrolled at the school and their school year has started. Even though the government previously refused to allow us to raise orphans at the school, they have recently given us 4 orphans to raise and they now live at the school. We are so grateful for this.

We also want to thank the Lord for the First Baptist Milan bible study group that has raised \$5,000 dollars for church planting. In Arba Minch the groundwork will begin soon. During the recent market and village outreach, the church pastors informed us that more and more people are coming to the churches, and that they require more tracts and Bible materials. We have printed over 20,000 tracts and lessons and have distributed them to the churches. In addition, we are also printing teaching materials for the school. Please support the printing department.

We praise the Lord that Vicki Waters has returned and is continuing the EIM Appleton Clinic where she has helped many children. After some time in the US visiting family and friends she knew it was time to get back to what God has called her to do. This past school year we treated an average of 40 children a day and we supplied vitamins and parasite medication to preschool-3rd grade. None of this would have been possible without your prayers and support. Thank you. Continue to pray for the clinic as we seek to hire an Ethiopian nurse and extend the ministry of the clinic into the community of Dukem.

We are planning the next years' evangelism projects with Don Whitt to reach the southwestern part of the country, in Sodo and Arba Minch. This includes market evangelism, leadership training, prison ministry, preaching in churches, women's conferences, and Bible distribution. We ask for your continued prayers for that.

God Bless.

Haile
