### MEET EBENEZER INTERNATIONAL MINISTRIES

From Haile Tefera:

Praise the Lord! We are very excited by the opportunity we have to reach you all with this newsletter. Thank you so much to my Board Chairman and the Board Secretary for their hard work. It is so wonderful that Ebenezer International Ministries has been put together and is releasing its first newsletter.

Our ministry in Ethiopia is reaching many people with the gospel; helping the needy, including over 120 orphans; distributing Bibles to those who would not otherwise have access to a Bible; training and empowering the Sudanese refugees; providing health care and medicines; and printing gospel literature, including Sunday school lessons for the children.

The harvest is plentiful, and we need many workers to help in this season here in Ethiopia. In June a team came from Milan, TN, and we went town to town with the gospel. About 19,000 people came to know the Lord and over 1500 Bibles were distributed within two weeks. God did a great work through a medical mission in May of this year at our school, Crosspointe, serving over 1,000 children and many adults in seven days. Health care and medicines were provided for those who have never had the chance to see a doctor, in addition to prayer for each one.

Please be a part of this ministry and support our vision. Jesus is coming soon. Let us serve the Lord together. Haile Tefera
