April 2021

The EIM family is excited about our newest team member Deedee Tefera coming on board to help with our website and social media presence, as well as, assisting Tsedale at Crosspointe Christian Academy and Haile with the planning and arrangements for the teams coming to serve in Ethiopia.

Of the 1600 students currently enrolled nearly 300 are scholarship (or needy) students from the surrounding community that are provided free tuition, books, uniforms, and meals. The Lord has been good in providing the necessary funds to allow us to minister to these students and their families.

Like the rest of the world Ethiopia is slowly beginning to see some degree of normalcy return to the country. To our great joy, as of January teams have started to return to minister through EIM, after nearly a year hiatus. We are expecting teams in April, May, September, and October that will allow us to continue the work in evangelism, discipleship, and leadership training throughout the country. Please pray with us that the Lord will continue to open these doors that no man can shut (Rev 3:7).

Crosspointe Christian Academy is now open and serving 1600 students from preschool through 10<sup>th</sup> grade. We continue with our plans to add an additional grade each year until we are able to offer classes through the twelfth grade. During the pandemic shutdown of our school, we were able to make many needed upgrades to our grounds and facilities.

Ebenezer has been blessed by the invitation to take part in the city-wide Crusade in Sodo, Ethiopia where the evangelical churches have come together to cry out to the Lord for forgiveness and repentance. Join us in seeking the Lord for this region where God is at work mightily and Stan is doing all he can to hinder this work.
