Evangelism and Discipleship – WOW!! was the comments heard as we shared stories and pictures of how the Lord moved in the April “Prayer and Repentance Crusades.” EIM sponsored and participated in two crusades simultaneously across the Wolayita region. In Sodo, the crusade closed

with over 100,000 in attendance, 147 recorded salvations and God moving significantly through the 130+ churches participating in the 3-day event. Less than an hour away in Gesuba, 90+ churches came together and experienced the hand of God at work in response to 3 days of prayer, fasting, singing, and preaching. The word received last week from these local churches were that “houses of worship are full, people are coming to Christ, and rain is falling from the skies.” The impact brother Haile and the ministry of EIM is having in this region is tremendous. Doors continue to open, and opportunities are ever expanding to be a part of bringing Christ love and hope to the Ethiopian people.

Church Planting – The photo below was taken at the sight of the latest EIM church plant outside Awassa, Ethiopia. It is the first of two new plants

that was made possible through the gifts of Don Whitt Evangelistic ministries. EIM is excited as the Lord provides and is opening doors for this greatly needed ministry.

Construction at Crosspointe School – During our April visit I was able to see firsthand the progress being made on the construction projects at Crosspointe school. The progress on the High school has been hampered due to the inability to get needed materials, but the work on the preschool is proceeding at a pace that may soon see it complete. Though doors, windows, and trusses are expensive and difficult to obtain, Haile has hired welders who are making these items on site at great savings to the ministry. Praise the Lord for these craftsmen!

With the completion of the preschool, space will be provided that will allow another building on campus to be remodeled and become one wing of the new orphan home, With the funds delivered in April, thanks again to the generous donations of God’s people, we will be able to start the second wing and see it

occupied by these wonderful children that are so dear to the heart of our Lord even sooner than imagined.
